FAQs

- **Is there a fee for hosting a Wine Tasting event?**
 - Your Wine Tasting Sampler is priced as low as \$49.99 plus tax and includes 4 bottles of wine for sharing, PLUS a special Thank You Bottle of wine for you, and various other amazing Host Perks. The total retail value of these items is over \$250 on average, and ground shipping is included.
- **What's the process for selecting a Tasting Sampler?**
 - You will work alongside your Wine Consultant, who will assist you in choosing the ideal Wine Tasting Sampler for you and your guests (up to 16). There are three distinct options to choose from, which feature different taste profiles.
- **Is it necessary to offer food pairings for my Tasting?**
 - It's best to keep the snacks simple and avoid strong or overpowering flavors that can detract from the wine-tasting experience.
 - We recommend the following items: Gouda, Parmesan, Manchego, crackers, dark chocolate
- **What's the typical duration of a Tasting?**
 - On average, an In-Home Wine Tasting event lasts between 1 to 1 1/2 hours from start to finish.
- **Can my friends place an order even if they can't attend the Tasting event?**
 - Certainly! Your Wine Consultant will provide guidance on how your friends can place their orders if they're unable to make it to the event.
